Attorney Docket: UCONAP/141/US

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re patent application of: Alexandros Makriyannis et al

Application No.:	09/328,742	Examiner:	Pryor, Alton Nathaniel
Filing Date:	06/06/1999	Group Art Unit:	1616

For: Inhibitors of the Anandamide Transporter

Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450

Sir:

Information Disclosure Statement

Applicant submits herewith patents, publications or other information of which they are aware and which they believe may be material to the examination of the above-identified application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

This Information Disclosure Statement is not intended to constitute an admission that any patent, publication or other information referred to herein or submitted herewith is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(b) exists.

Citations in bold type and having a name preceded with ***1*** indicate references which are believed to be more closely related to the claimed subject matter. This indication is not meant to indicate or imply any position with respect to the remaining references.

Citations in italics and having a name preceded with *** indicate references for which Applicant has no copy to submit. If a copy of any of these references is procured the same will be submitted to the PTO.

Citations having a name preceded with *2* indicate references that were previously cited but for which Applicant had no copy to submit at that time. Copies of these previously cited references are being submitted herewith.

Respectfully submitted,

ALEXANDROS MAKRIYANNIS et al

By: _____

Date: 1-25-2005
